For Questions  
call  
651-5977

- Q. What do I have to do to prepare?  
A. Residents need to put leaves in piles between curb and sidewalk before the start of collection week. Do not rake objects that could injure crew members or damaged equipment, such as rocks, tree limbs, etc. into the piles. Leaves only.
- Q. What if I really want my leaves removed before my scheduled collection week?  
A. If you can't wait for work crews to reach your street, you may bag leaves and place them by curb for work crews to remove.
- Q. What happens to the collected leaves?  
A. Leaves are taken to the compost site at the landfill where compost may be purchased while supplies last.
